- Save up to \$55 in service fees annually¹
 - Discounts for auto and home insurance—on top of your employee and/or ELFUN discounts²
 - No checks, stamps, or banking fees

Q. Who is eligible to participate in Electric Insurance Company's GE Payroll Deduction Program?

- A. Any Electric Insurance customer, on active payroll status with GE, on a bi-weekly or weekly pay cycle who resides in an eligible state may participate. (Please contact Electric Insurance at 800.227.2757 for state eligibility information.) An email address is required so that Electric Insurance can communicate with you electronically.

Q. How do I enroll?

- A. If you are an existing customer of Electric Insurance, please call 800.227.2757; Customer Service can process your pay plan change. To obtain an insurance policy with Electric Insurance, select "sales" from the caller menu for a free, no-obligation quote for auto, home or Personal Excess Liability (PEL) insurance. If you are eligible and decide to participate, you will be provided with a Payroll Deduction Authorization Form to complete. The form authorizes GE to deduct Electric Insurance premiums from your paycheck.

Q. When will deductions start?

- A. Deductions start once Electric Insurance receives a completed authorization form and GE's payroll system is updated with the information. Sending the authorization promptly will ensure the timely start of deductions.

Q. How much will the deduction be?

- A. All policies you have insured by Electric Insurance (auto, home, PEL, etc.) are included in the Payroll Deduction Program when you enroll. The only exceptions are homeowner's policies that are escrowed. Deductions are based on the frequency of your payroll and are spread evenly through the deduction period (usually 48 weeks from policy effective date). A down payment may be required.

Q. When will the discount be applied?

- A. The discount is applied immediately to new policies that enroll in the Payroll Deduction Program. The discount will be applied to current policies after we receive a signed Payroll Deduction Authorization Form.

Q. How will I recognize the Electric Insurance deduction on my paycheck?

- A. Paper checks: the phrase "Elec Ins" will appear
Online checks: the phrase "Electric Ins" will appear
Only one deduction will be processed and displayed on your paycheck, regardless of the number of policies you have.

Q. What would cause a deduction amount to change?

- A. A premium deduction amount can change whenever you make changes to your policy (adding a driver, dropping a vehicle, adding coverage, etc.), when you are billed for a renewing policy, or if Electric Insurance is unable to collect a scheduled deduction. Electric Insurance will send you a Payroll Deduction Change Notice via email when the deduction amount changes.

Q. Can I have the total premium amount taken in one deduction?

- A. Not at this time. Alternate schedules may be available in the future. However, you may pay in full online if you choose.

¹ Based on 11-month waiver of a \$5 monthly service fee

² Discount availability and amount vary by state; payroll deduction discounts are not available in PR, CA, NY, or HI.

Q. What if I think the deduction amount is incorrect?

- A. Please call our Customer Contact Center at 800.227.2757 to speak with an account specialist. S/he can explain the deduction amount and review any recent changes to your policy or account with you.

Q. What happens if I retire or leave GE?

- A. GE notifies Electric Insurance of employee status changes on a weekly basis. Your payment plan will automatically be updated to monthly direct bill payment plan (with associated fees) unless you direct otherwise.

Q. What happens if I go on short-term disability or other leave status?

- A. If you are aware of an upcoming leave, please contact the Customer Contact Center at 800.227.2757 in advance to make payment arrangements. If we do not hear from you, we will be in touch to determine the best payment arrangements for your situation. If we're unable to reach you, we will put you on a monthly bill payment plan (with associated fees).

Q. How do I re-enroll in the Payroll Deduction Program when I return from leave?

- A. Please call our Customer Contact Center at 800.227.2757 to speak with an account specialist. S/he will verify your status and re-enroll you with the program. If you had not previously requested removal from the program, your existing Payroll Deduction Authorization Form will suffice.

Q. I'm enrolled in the Payroll Deduction Program, but I received a paper bill at home. What should I do?

- A. Please call our Customer Contact Center at 800.227.2757 to speak with an account specialist. S/he will review any recent changes to your policy and account with you and determine if GE recently sent updated employee status information.

Q. Can I make extra payments to reduce my payroll deduction amount?

- A. Yes. If you would like to pay ahead, and/or reduce the amount of future deductions, you may mail additional payments to Electric Insurance Company, P.O. Box 9147, Chelsea, MA 02150. Please be sure to include your contact information and policy number(s) so that we can credit your account properly.
